**The Final Fish-In was the worst, weather-wise, of the year. There were 6 to 9 foot waves on the lake and most of the boats that braved to fish were in the harbor. The highlight of the event was the three kayak fishermen that teamed up to compete against the boats this year and won the final Fish-In. In the seven fish they landed the top four weighed 18.6 lbs, 21.1 lbs, 21.4 lbs and 24.6 lbs, the biggest of all four Fish-In's.**

**The Club and I would like to thank Roger Stack of R&R the Fish'N Hole for sponsoring the Fish-Ins again. We will be awarding gift certificates to R&R for the top ten boats and biggest fish for all five species at the club banquet in March, along with plaques for the biggest fish and top 5 boats. Roger has everything you need to catch fish on Lake Michigan and the experience to help you find exactly what you need.**

**The Club and I would also like to thank everyone who helped out this year to make these events fun, I just wish the fishing was better during these contest. Also thanks to Carl's County Market for the excellent food and drink.**

**Next years Fish-In schedule and rules will be posted on line at [GLSFCLUB.COM](http://GLSFCLUB.COM) along with this year's results. Have a good and safe end to the season.**
