The fishing was tough for the second Fish-In. There were only two boats with 10 fish and several boats did not weigh in. Always weigh in when you have a tough day because chance are most people did and this is an accumulation of points from four Fish-Ins. The boats that weigh in for all four usually receive RR gift certificates. The highlight of the day was Dan's big Brown trout, which was caught out of a kayak. The beer and food was outstanding though.

**I would like to thank Roger Stack of R&R the Fish'N Hole, Silver King Charters and the GLSF for sponsoring the Fish-Ins again.** We will be awarding gift certificates to R&R for the top ten boats and biggest fish for all five species at the end of the season. Roger has everything you need to catch fish on Lake Michigan and the experience to help you find exactly what you need.

I would also like to thank everyone who helped out with cooking, setting up and cleaning up. They did an excellent job setting up and cooking the brats. We couldn't do it without you! Also, thanks to Karl's Country Market for the excellent food and drink. After a tough day of fishing, the great food is something to look forward to. Finally, thanks to the ladies of the club for all the excellent desserts. All of this for \$5—you cannot beat this price.

The next two Fish-Ins are: July 31 and August 28. This is a great way to get ready to fish Brew City and become more successful catching Salmon and Trout. Please see the rules on the GLSFCLUB.COM website for the Fish-Ins.

**Call Kurt Pokrandt at 414-460-1467 by the Thursday before a Fish-In to register or with questions. Good luck fishing and have a safe boating season.**
