Dear Mike

On behalf of myself, and the other officers and members of the board of directors, as well as the entire membership of the Great Lakes Sport Fishermen (GLSF), I would like to extend our heart felt thanks to the leadership, and members of the IBEW Local 494, for their generous donation of \$5,000 to help sponsor our annual GLSF Brew City Tournament.

In times like these, with all the uncertainties in the economy, pending layoffs, and rising costs, one of the first things that suffers is events like this tournament. Your donation all but guarantees that this years' Brew City Tournament will be a financial success, and as this is one of biggest fund raisers we do, this is critical to our organization's mission to preserve and maintain, the salmon fishery in the Great Lakes.

The GLSF looks forward to a long and mutually beneficial relationship, with the IBEW Local 494. I found it especially interesting that when I was browsing your web site that I noticed a slogan on one of your sweatshirts that read, "Great City on the Great Lake". It appears that our two organizations already have several things in common. We both share a desire to grow our membership, and to improve our public image. We both have a high degree of community sprit, and a desire to ensure that both Milwaukee and Lake Michigan remain "Great".

We've posted a link to your website as well as a Thank you for your support on our website:
<http://www.glsfclub.net/>. If there is anything else our club can do for your organization, please feel free to contact us.

Thanks again for your outstanding generosity,

Milwaukee Chapter Great Lakes Sport Fishermen, Board of Directors,

Steve Franke
President GLSF
